MINNEAPOLIS, MINN.

This is now our eighth annual Seed List and we wish to express our thanks to all our customers for the confidence and patronage we have received, and we hope you will continue to send some of your orders this way. We aim to have only the very best and most reliable seeds which it is possible to get, and we import the biggest part of our seeds from the best growers in Denmark and other European countries. We realize that a Gardener or Florist cannot be too particular in the selection of the seeds he is using and therefore we are very cautious in getting the seeds from the best sources we know of.

Hoping we all shall have a good season and assuring any orders you may send us our most careful attention, we beg to remain,

Respectfully yours,

DANISH SEED IMPORT,

Chris. Mosberg.
